Subject: Review of Bid Evaluation Report of Civil Works Contractors for Six Universities: Support to the Development of Higher Education Project (IND 168).

Reference is made to your letter no. 292/B/IDB/PMU/2017 dated 17/03/2017 submitting the Bid Evaluation Reports (BER) for civil works packages of six universities of the subject project, and the subject communications related to the evaluation.

IDB has reviewed the Bid Evaluation Reports of the six universities and we are pleased to inform you that overall, IDB has no objection to award of contracts to the lowest responsive bidders as recommended in the Bid Evaluation Reports as follows:

1. To award the **University of Lambung Mangkurat Package** to **PT. Wijaya Karya (Persero) Tbk**, for an amount not exceeding **IDR 422,000,000,000**, excluding VAT.
2. To award the **State University of Surabaya Package** to **PT. PP (Persero) Tbk and PT. Hutama Karya (Persero) (JV)** for an amount not exceeding **IDR 377,540,252,000**, excluding VAT.
3. To award **State University of Gorontalo Package** to **PT. Nindya Karya (Persero)**, for an amount not exceeding **IDR 322,545,890,000**, excluding VAT.
4. To award **University of Sam Ratulangi Package** to **PT. Adhi Karya (Persero) Tbk**, for an amount not exceeding **IDR 218,540,647,796.50**, excluding VAT

5. To award **University of Tanjungpura Package** to **PT. PP (Persero) Tbk and PT. Jaya Konstruksi Manggala Pratama Tbk (JV)** for an amount not exceeding **IDR 318,125,924,000**, excluding VAT.
6. To award **State University of Yogyakarta Package** to **PT. Waskita Karya (Persero) Tbk**, for an amount not exceeding **IDR 328,372,503,345**, excluding VAT.

However, we would like to highlight the issue of financial resources available to cover the total contract awards for the six packages. The cumulative contract price for the six packages, based on the prevailing exchange rates, is approximately US\$ 149.11 million. The total amount allocated by IDB for the civil works (US\$ 128.79 million representing 81% of the Total Base Project Cost and the full contingencies for the civil works of US\$ 11.87 million representing 81% of the total contingencies) is US\$ 140.66 million. Therefore, in this regard, we look forward to receiving the earliest response and assurance of the Executing Agency on overcoming the issue of the funding gap of approximately US\$ 8.45 million, prior to contract signing.

While addressing the above-mentioned issue, in parallel and order to gain time, the Executing Agency and universities may proceed with the next steps required in the preparation of the contracts to be signed with the lowest responsive bidders as stated above.

Sincerely yours,

Dr. Walid Abdelwahab
Acting Director
